

INDEX TO VOLUME FOUR (Original Articles)

- Adenocarcinoma, metastatic of the small intestine, 183
- Adenomas, rectal, the role of ileal contents in the spontaneous regression of, 413
- Amebic panorama, 235
- Anastomosis, colorectal, a new method of, in abdominoperineal resection, 335
- Anesthesia, local, an improved type of, in anorectal surgery, 186
- Anoplasty to correct anal stricture, 289
- Anorectal symptoms of emotional origin, 399
- Antihistamines, use of in anorectal surgery, 368
- Book reviews, 286
- Carcinoma, inoperable, management of, with particular reference to the use of cytoxan: preliminary report, 62
- Colectomy, an improved technic of, for ulcerative colitis and disseminated adenomatosis: a pre-stage ileocoloprotectomy, 159
- Colitis, acute ulcerative, 3
chronic, ulcerative, aplastic anemia following chloramphenicol therapy in: report of a case, 269
- Colon, ascending, acute diverticulitis of the: report of three cases, 195
asymptomatic pathology of the, as disclosed by air contrast enema, 356
cancer of the, spread to tissue and organs beyond the colon, radical surgical management of the, 83
carcinoma of the, treated at a community hospital, a survey of, 283
in a boy 15 years of age: report of a case, 60
changing concepts of treatment of traumatic injuries of the, 168
diverticula, diverticulosis and diverticulitis of the: indications for operation and refinement of surgical technic, 88
diverticular disease of the, in the younger age group, 419
injuries, management of civilian, 115
prevention of explosion while fulgurating polyps of the, 32
the prognosis of carcinoma of the, associated with chronic ulcerative colitis, 1
single and double-layer anastomosis of the: a comparison, 263
- Colon and rectum, occult invasive cancer in polyoid adenomas of the, 111
polyps of the: incidence and distribution, 277
- Constipation, diagnosis of, in infants and children, 33
- Cyst, hamartoma, multiocular retrorectal cystic disease: report of 12 cases, 103
 pilonidal, a significant diagnostic sign of, 56
- Evaluation, a clinical, of a new cathartic compound, 131
- Fistula, complicating perineal surgical procedures, 358
of the sigmoid flexure, 41
retrourethral, diagnosis and surgical management of, 177
- Gardner's syndrome: heredofamilial adenomatosis associated with soft and hard fibrous tumors and epidermoid cysts, 252
- Graft, thick split-skin, for anal stenosis, Paget's disease, condyloma acuminata, pruritus ani, and other anorectal conditions: report of four cases, 319
- Hamartoma, myoepithelial, of the rectum, 409
- Hemangioma, rectosigmoidal: report of two cases, 343
- Hemorrhage, anorectal, delayed postoperative, 50
- Hemorrhoidectomy: past and present, 442
radical, an appraisal of, 125
- Lymphogranuloma venereum, rectal, in Jamaica, 17
- Memoirs:
Andresen, Albert F. R., 262
Bancroft, John W., Sr., 140
Courtney, Harold, 148
Fluegel, Gerald N., 148
Fuzy, Paul J., Sr., 262
Herold, Lambert J., 140
Israel, George I., 262
Morrow, Raymond L., 148
Smith, Frederic C., 148
Spears, Mary M., 140
Trell, Emmett H., 148
Whallon, Arthur J., 140
- Meperidine hydrochloride, analgesic efficacy of, used alone and in combination with promethazine hydrochloride: a double-blind cross-over study, 121
- Method, a simple, for follow-up studies, 128
- Muscle rehabilitation in anorectal surgery, 135
- Myoblastoma of the anal canal, 206
- Obstruction, intestinal, early postoperative and post-operative intestinal ileus, 307
- Operations, anorectal, the value of muscle relaxants in the postoperative management of, 27
- Pilonidal disease, wide excision and primary closure in: report of a case complicated by squamous cell carcinoma, 435
- Polypsis, villous, of the large intestine: case report and review of the literature, 189
- Polyps, management of, of the rectum and colon, 173
- Pressures, colonic, and motility patterns in health and disease, 327
- Rectum, aberrant gastric mucosa in the: a case report, 275
an unusual foreign body in the: report of a case, 139
carcinoma of the, conservative management of selected patients with, 429
complete prolapse of the, 199
leiomyomas of the: report of five cases, 181
perforation of, by thermometer, with survival of patient: report of a case, 287
preoperative irradiation of cancer of the, 403
- Resection, combined abdomino-endorectal, 363
- Review of the literature on disease of the colon and rectum, 73, 150, 223, 298, 381, 458
- Schistosomiasis, Mansonian, in Brazil, rectosigmoidoscopic aspects of, 343
- Tuberculosis of the large bowel, 439
- Ulcerative colitis, acute fulminating, 424
malignant, change in, 399

INDEX TO SELECTED ABSTRACTS

A

- Adenocarcinoma, of the large bowel: 1,340 cases with 100 per cent follow up, 447
of the rectum: a 15-year study with evaluation of the results of curative therapy, 297
Aminocid ointment, antibiotic-induced rectal itch (pruritus ani) treated with, 145
Anal region of man, sensory nerve endings and sensation in the, 71
Anorectal surgery, use of darvon compound after, 217

B

- Bacon, H. E. and J. L. Berkley: Surgical management of diverticulitis of the colon with particular attention to rehabilitation, 373
Barnett, C. P.: Survival rates of patients with cancer of the colon in a small community, 378
Barnett, W. O.: Experimental strangulated intestinal obstruction—a review, 147
Bercovitz, Z. T.: Ulcerative colitis in older age patients, 378
Bicks, R. O., J. B. Kirsner and W. L. Palmer: Serum proteins in ulcerative colitis: I. Electrophoretic patterns in active disease, 145
Blatt, L. J.: Injury of the rectum by tip of disposable enema: case report, 142
Blood, cancer cells in: results of a simplified isolation technic, 374
Boggs, H. W., Jr. and H. H. Ratcliff, Jr.: Volvulus of the sigmoid colon, 447
Borgström, S. and N. Sandberg: Healing of colon anastomosis: experimental study in the rabbit, 218
Bowers, R. F. and J. M. Young: Carcinoma arising in scars, osteomyelitis and fistulae, 72
Burns, F. J.: Bleeding in diverticular disease of the colon, 445

C

- Cameron, A. B.: Hospital use of routine sigmoidoscopy, 217
Cancer, the use of a hypochlorous acid derivative in the control of: an animal investigation of seeded wounds, 72
Carcinoma arising in scars, osteomyelitis and fistulae, 72
squamous cell, of the anus and the anal canal, discussion on, 67
Cattan, R. R. C., P. Frumusan, P. Nataf, R. Souppoult and M. Bucaille: Indications et résultats des interventions pré-frontales dans les rectocolites ulcéro-hémorragiques, 215
Cecum, benign lesions of the, simulating carcinoma, 296
Circumileostomy, skin, problems and treatment of the, 378
Colitis, ulcerative, a new qualitative defect of leukocyte function in, 147
chronic, ulcerative duodenitis and, 143

- continuous use of prednisolone in the treatment of, 377
in older age patients, 378
chronic, gangrenous skin lesions associated with, 148
local corticosteroid treatment in severe attacks of, 219
right-sided or segmental, 70
serum proteins in: I. electrophoretic patterns in active disease, 145
surgical treatment of, in the pubertal years, 376
the place of fecal-diverting procedures in the surgical treatment of, 380
toxic megacolon in, 376
Colon, anastomosis, healing of: experimental study in the rabbit, 218
ascending, cecum and, acute solitary ulcers and acute diverticulitis of the, 371
bleeding in diverticular disease of the, 445
distal, duplication of: case report and its surgical correction, 142
diverticulitis of the, 446
endometriosis of the, 372
fixed, retrocolic, right-sided, dolichosigmoid, 379
irritable, and gallbladder disease, 402
ischemia of the, as a complication in the surgery of the abdominal aorta, 374
normal, spontaneous rupture of the, 372
rectosigmoid, management of ureteral obstruction produced by recurrent cancer of the, 222
sigmoid, volvulus of the, 447
surgical management of diverticulitis of the, with particular reference to rehabilitation, 373
survival rates of patients with cancer of the, in a small community, 378
toxic dilation of the, 454
toxic dilation of the, in the course of ulcerative colitis, 144
universal aganglionosis of the, 220
Colonoscopy, total: a systematic surgical approach, 446
Colotomy and coloscopy, 375
Congenital anomalies of the gastro-intestinal tract, 146
Cook, W. H., B. Singer and L. J. Frank, Jr.: Duplication of the distal colon: case report and its surgical correction, 142
Costello, C. J.: Overtransfusion in the operating room, 373

D

- DeCarlo, J., Jr.: Complications associated with diagnostic barium enema, 456
DeMuth, W. E., Jr.: Spontaneous rupture of the normal colon, 372
Dickenman, R. C., E. G. Kreig and J. D. Langston: Duplication of the rectum, 144
Diverticulitis, intramural, 379
sigmoid, pyrogenic liver abscess probably secondary to: report of two cases, 144
Diverticulosis, jejunal, complications of: report of three cases, 72
Donald, J. M. and W. N. Viar: One-stage colectomy, proctectomy and ileostomy for diffuse ulcerative colitis, 446

Duthie, H. L. and F. W. Gairns: Sensory nerve endings and sensation in the anal region of man, 71

E

Edelman, S., L. Strauss, J. M. Becker and E. Arnhem: Universal aganglionosis of the colon, 220

Enema, barium, diagnostic, complications associated with, 456

Enterocolitis, pseudomembranous, a study of, 445

F

Fabricant, J. I.: An improved ileostomy appliance, 142

Fagella, R. M., Jr., J. P. Dewar and J. A. Schilling: Pneumatosis cystoides intestinalis: Report of two cases and review of the natural history of the disease, 216

Fansler, W. A.: Hemorrhoidectomy: Causes and prevention of unsatisfactory results, 446

Feinblatt, T. M. and H. M. Feinblatt: Antibiotic-induced rectal itch (pruritus ani) treated with amino acid ointment, 145

Ferguson, J. A.: Total colonoscopy: a systematic surgical approach, 446

G

Gabriel, W. B., T. McW. Miller, W. H. Bond, S. Ramsey and B. C. Morson: Discussion on squamous cell carcinoma of the anus and the anal canal, 67

Gilbertsen, V. A.: Adenocarcinoma of the large bowel: 1,340 cases with 100 per cent follow up, 447

Gilbertsen, V. A.: Adenocarcinoma of the rectum: a 15-year study with evaluation of the results of curative therapy, 141

Gill, A. M. and W. J. Kenyon: Continuous use of prednisolone in the treatment of ulcerative colitis, 377

Goldgraber, M. B. and J. B. Kirsner: Gangrenous skin lesions associated with chronic ulcerative colitis, 148

Gordon, M. E.: Pseudocyesis associated with acquired megacolon, 145

H

Hauck, A. E.: Endometriosis of the colon, 372

Heffernon, E. W., W. A. Millhon and S. W. Rosen: Irritable colon and gallbladder disease, 402

Hemorrhage, obscure, recurrent, massive, lower gastro-intestinal, a long intestinal tube as an adjunct to laparotomy in localizing the site of: Report of a case, 219

Hemorrhoidectomy: causes and prevention of unsatisfactory results, 446

Hemorrhoids, modern management of, 219

Howard, G. T., Jr.: Modern management of hemorrhoids, 219

Hritzo, R. J. and A. Riberi: Ileocecal intussusception caused by cecal lipoma, 375

I

Ileostomy appliance, an improved, 142

Intussusception, ileocecal, caused by cecal lipoma, 375

J

Jankelson, O. M. and I. R. Jankelson: Symptomatic, exaggerated gastrocolic reflex: its relief by an oral topical anesthetic (oxethazaine hydrochloride), 377

K

Ketcham, A. S.: The use of a hypochlorous acid derivative in the control of cancer: an animal investigation of seeded wounds, 72

Klein, S. H., S. Edelman, P. A. Kirschner, A. S. Lyons, I. D. Baronofsky: Emergency colectomy in ulcerative colitis, with acute toxic dilation, 452

Knowles, R. and J. A. Rinaldi: Pyogenic liver abscess probably secondary to sigmoid diverticulitis: report of two cases, 144

L

Long, L., O. Jonasson, S. Roberts, R. McGrath, E. McGrew and W. H. Cole: Cancer cells in blood: results of a simplified isolation technique, 374

Lyons, A. S. and I. D. Baronofsky: Surgical treatment of ulcerative colitis in pubertal years, 376

Lyons, A. S., S. Edelman and I. D. Baronofsky: The place of fecal-diverting procedures in the surgical treatment of ulcerative colitis, 380

M

Malignancy of the colon and rectum in patients under 20 years of age, 218

Marshak, R. H., B. I. Korelitz, S. H. Klein, B. S. Wolf and H. D. Janowitz: Toxic dilation of the colon in the course of ulcerative colitis, 144

McNamara, R. J., E. M. Farber and S. I. Roland: Problems and treatment of the circumileostomy skin, 378

Megacolon, acquired, pseudocyesis associated with, 145
acquired, sexual function and fecal continence following abdominoperineal resection of rectosigmoid for, 455

Mesocolon, persistent descending, 292

Miller-Williams, A. B. J.: Anal canal suppositories, 222

Morgenstern, L.: Persistent descending mesocolon, 292

O

Obstruction, intestinal, experimental strangulated—a review, 47

Overtransfusion in the operating room, 373

INDEX TO SELECTED ABSTRACTS
